2TB

## Meet **G|SAFE**

### RAID 1 (Mirrored) Storage Solutions for Data Security

G-SAFE is the ideal storage solution to safeguard digital files downloaded from flash memory cards. G-SAFE offers the ultimate in peace of mind by simultaneously writing to two independent hard disk drives providing instant back up of files as you save them. And unlike single drive backup systems, if a drive failure occurs your data is

safe and accessible. G-SAFE features (2) removable drive modules for easy replacement of disk drives and off-site backup of data, and includes eSATA, FireWire 800 and USB 2.0 ports and a front panel LCD for system status and configuration.

- Perfect for safeguarding photos and video from digital cameras
- Data is written to two independent drives simultaneously
- Removable, high-performance 7200 RPM SATA II drives
- eSATA, FireWire 800 and USB 2.0 interface
- Storage capacities up to 2TB (2x 2TB Drives)
- Integrated fan keeps system cool
- Front panel LCD for RAID system configuration and monitoring
- Includes all cables
- Standard 3-year factory warranty
